**TICKETS TO THE BEST GAME IN TOWN!**

Welcome to the Corporate Links Program at Westwood Plateau! We are pleased to make available to our corporate clients this unique Ticket Purchasing Program that is designed to run like the Season's Ticket systems common to most professional sports teams. We hope you will find this exciting program to be both a fun and an effective way for your company to show its appreciation to clients, associates or suppliers. The gift of golf will surely be appreciated...especially when it's for a chance to play at Award Winning Westwood Plateau Golf & Country Club.

As the premier daily fee facility in Vancouver, Westwood Plateau focuses on attracting corporate clients who demand the finest in entertainment. In recent years, we have recognized an increasing demand for corporate access to golf facilities. As golf clubs become busier, more expensive and more restrictive on guest play, the business person who entertains on the course is seeking new and improved ways to meet the expectations of their clients. This includes access to great golf and a superior experience of service and quality. Traditionally, the company golf tournament is used to achieve entertainment goals with clients and associates, but often it does not provide the right blend of privacy, focus and time flexibility. The Corporate Links Program is the Above & Beyond solution to tailoring your time with the people you need to be with.

*Show Your Appreciation With Tickets To  
The Best Game In Town!*
